To whom it may concern

The above named alarm company, at the address given, is included in the Thames Valley Police list of compliant alarm companies, whose business is subject to inspection by Independent Inspectorate organisations identified in Police Policy.

Inclusion on the list does not amount to confirmation that the company, or its work, has been inspected by the police.

The alarm company should have given you, as a potential customer in the Thames Valley Police area, a summary of the Association of Chief Police Officers (Acpo) Policy on Police Response to Security Systems (October 2006).

If you have any concerns regarding the contents of this letter, you may contact me on the above numbers at Police Headquarters Alarms Administration or by email to alarms@thamesvalley.pnn.police.uk

Yours faithfully
